TEXTBOOK:	Wuest/Fisette, <u>Foundations of Physical Education, Exercise Science, and Sport</u> , 18 th ed. McGraw Hill, 2015.
ADDITIONAL MATERIALS:	Current publications and/or Internet sites.

LEARNING OUTCOMES:

- To understand the nature and scope of kinesiology.
- To gain knowledge concerning the changing concepts in movement and sports.
- To understand the relationship of kinesiology to health, recreation, the teaching profession, and professional organizations.
- To understand and convey the importance, impact, and interrelationship of various sub-disciplines of kinesiology, including motor behavior, biomechanics, exercise physiology, sport sociology, sport psychology, and pedagogy;
- To describe the different career opportunities in the field of kinesiology;
- To analyze and interpret various forms of communication;
- To effectively discover, develop, organize, and phrase the course information in written form through the use of essays, papers, and/or reports;
- To develop the ability to orally communicate clearly, coherently and persuasively the course information through the use of group discussions and/or presentations; and
- To use computer-based technology in communication and acquiring information concerning kinesiology.

ASSESSMENT OF CORE OBJECTIVES (pending approval by THECB)

- Critical Thinking (Inquiry, Synthesis, Analysis, & Results) will be directly assessed through the ability to apply knowledge of fitness concepts in developing a work-out plan.
- Communication (Organization, Quality of Sources, & Communication Skills) skills will be directly assessed through verbal/written presentations (using an assessment rubric), written evaluation of fitness test (using a rubric), and essay questions on exams.
- Personal Responsibility (Ethical Issue Recognition, Commitment, & Accountability) will be indirectly assessed through timely completion and submission of individually-completed assignments.

PHED 1301 (Hybrid) – Foundations of Kinesiology

Spring, 2017 Syllabus – Tuesday (9:30/11:25) & Wednesday (11:25)

ASSIGNMENTS:

- Full participation in class discussions
- Chapter Quizzes (lowest grade dropped)
- Communication: 2 verbal/written presentations (activity lesson and career information), 5 Blackboard Discussion assignments, and 1 Written Evaluation of Fitness test
- Fitness Test
- In-class Exams

POLICIES:

- Children and guests are not allowed in the classroom.
- Students are expected to be present, attentive, and remain in class during the scheduled time. It is the responsibility of the student to attend all classes and a record of attendance will be kept. It is the responsibility of the student to withdraw officially in the College admissions and registrar's office from a class the student no longer desires to attend. Students *may* be dropped for non-attendance. All missed assignments, tests, and work will result in a "0" grade and will be averaged into your cumulative grade.
- Any behavior that would disrupt classroom discussion or instruction will not be tolerated and the student will be asked to leave the classroom and **must meet with the instructor before re-admittance back into the class**. Student will lose daily participation grade or any assignment for that day.
- Cell phones are to be turned off during all class times and out of sight, unless otherwise directed.
- Assignments are due on specific dates as scheduled and may not be made up except for excused absences (or pre-arranged). Excused absence assignments must be submitted prior to date of absence.
- Tests will not be made up. The final exam grade may be used to replace one missed test. Missed tests will show a grade of 0 until the final exam has been taken.
- Students are required to bring all needed supplies (book, highlighter, pen/pencil, notes, scantron).
- No eating, drinking (except for bottled water), or use of tobacco products in the classroom.
- Registration with RAVE for emergency notifications including weather-related is automatic. If you do not wish to receive text messages regarding campus emergencies, you must opt-out. Go to www.getrave.com for further instructions.
- If you have a disability (as cited in Section 504 of the Rehabilitation Act of 1973 or Title II of the Americans with Disabilities Act of 1990) that may affect your participation in this class, you should see Sellestine Hunt, Associate Dean of Student Services, Student Center, Room 200. At a post-secondary institution, you must self-identify as a person with a disability; Ms. Hunt will assist you with the necessary information to do so.
- To report any complaints of discrimination related to disability, you should contact Dean Steve Hudman in Student Center, Rm. 101, [\(936\) 633-5292](tel:9366335292) or by email at shudman@angelina.edu.
